Qualifications: [My reason for running is to interject some common sense into our State Legislature. There are three areas that I would like to have a positive effect. Education in Utah, Healthcare Reform in Utah, and Helping to Improve our Air Quality through Green Technology along the Wasatch Front. My qualifications for accomplishing these goals are: I have 2 daughters in school, one in elementary and one in Junior High, being involved with them in their schooling has opened my eyes to what is lacking in Public Education in Utah. Funding! I have been a Respiratory Therapist throughout my working career and have worked in many facets of the HealthCare Industry. There are some simple things we can do in Utah to decrease Healthcare costs. Since I am a Respiratory Therapist, I have a passion for Breathing, and Breathing Clean Air. This is getting harder each year along the Wasatch Front, we MUST change this immediately, and that is what I plan to do. ]
